

Masters Major List

Faculty	department	Field of study
Literature	History	History-History of Islam
		History-History of Islamic Iran
	English Language	English Language Teaching
		English Language and Literature
	Linguistics	Teaching Persian language as a Foreign Language
		Universal Linguistics
	Arabic Language and literature	Arabic Literature
		Arabic Translation
	Persian Language and literature	Persian Language and Literature
		Persian Language and Literature as a Foreign Language
Theology and Islamic studies	French Translation	French Translation
	Religion and Islamic Gnosticism	Religion and Islamic Gnosticism
	History and Culture of Islamic Civilization	History and Culture of Islamic Civilization
	Quran Sciences and Hadith	Quran Sciences and Hadith
	Islamic Philosophy and hikmath	Islamic Philosophy and Theology
Physical Education and sport sciences	Fighh and Basics of Islamic Law	Fighh and Basics of Islamic Law
		Motor Behavior- Teaching Physical Education
		Motor Behavior-Movement Development
	Motor Behavior	Motor Behavior-Motor learning and control
		Sport Physiology-Pure Exercise Physiology
		Sport Physiology-Applied Exercise Physiology
	Sport Physiology	sport management-strategic management in sports organization
		Sport Management-Marketing Management in Sport

Masters Major List

Faculty	department	Field of study
Social Sciences and Economics	Economics	Economic Sciences-Energy Economy
		Economic Sciences-Economic System Planning
		Economic Sciences-Economic Development and Planning
	Accounting	Accounting
		Auditing
		Management Accounting
	Social Science	Social Science Research
		Sociology
	Management	Business Management-Marketing
		Management of Information Technology-Advanced Information System
		Management of Information Technology-Electronic Business
		Business Management - Strategy
		Business Management-Organizational Behavior and Human Resource
		Financial Management
	Women and Family Studies	Women Studies-Women's Rights in Islam
		Women Studies-Woman and Family
Education and Psychology	Psychology	Clinical Psychology
		Public Psychology
	Educational Psychology	Educational Psychology
	Librarianship	Knowledge and Information Science-Knowledge Management
		Archive Studies
	Management and Educational Planning	Curriculum Planning
		History and Philosophy of Education- Definition and Education
		Educational Management
	Counseling and Guidance	Counseling-Family Counseling
Mathematics Knowledge	Statistics	Mathematical Statistics
	Mathematics	Applied Mathematics
		Applied Mathematics-
		Numerical Analysis
		Pure Mathematics - Algebra
		Pure Mathematics - Analysis
		Applied Mathematics-Differential Equations of Dynamical Systems
		Pure Mathematics –Geometry

Masters Major List

Faculty	department	of study Field
Life science	Biotechnology	Biochemistry
		Biophysics
		Microbial Biotechnology
	Plant Sciences	Biology of Plant Science - Systematic and Ecological
		Biology of Plant Science-Physiology
	Microbiology	Pathogenic germs : Microbiology
		Microbiology - environmental
Engineering	Industrial Engineering	Industrial Engineering - System Optimization
	Computer Engineering	Information Technology Engineering - IT
		Computer Engineering - Software
		Computer Engineering- Artificial Intelligence
	Mechanic Engineering	Energy Systems Engineering-Energy Systems
		Technologies Energy Systems Engineering- Energy
Physics-Chemistry	Chemistry	Organic Chemistry
		Analytical Chemistry
		Physical Chemistry
		Mineral Chemistry
		Nano Chemistry
	Physics	Nano Physics
		Photonics
		Atomic and Molecular Physics
		Plasma Physics
		Astrophysics
		Physics-Condensed Matter
		Statistical Physics and Complicated Systems
Art	Visual Communication	Visual Communication
	Art Research	Art research
	Handicrafts	Handicrafts
	Industrial Design	Industrial Design
	Textile and Fashion Design	Textile and Fashion Design
	Painting	Painting
Innovative Sciences and Technologies	Information Technology	Information Technology Engineering
